The J.D. Hall Band is a dynamic, exciting group taking the audiences not only on a trip down memory lane, but strolling, bopping, twisting, two stepping and line dancing along the way. The J.D. Hall Band is not just a dance band, they are the ultimate dance and show band having fun while they perform and show it.

The J.D. Hall Band has been performing in the Atrium Hotel Club for over two years and has a large and loyal following. They involve their audience and establish a great rapport with them.

I would highly recommend J.D. Hall & the J.D. Hall Band.
