To Whom It May Concern:

I have personally worked with the J. D. Hall Band on many occasions at Santa Monica College for various events sponsored by our Student Body Government. The venues they have performed in are our Amphitheater which holds 1,500, and also at our Clocktower which accommodates approximately 500.

This past summer of 2004 the Events Department hired the J.D. Hall band to perform at the College's annual Independence Day community event "Celebrate America". It is held on our Corsair Field Stadium and at peak capacity has 15,000 – 20,000 people in attendance.

Always enthusiastic and energetic, J.D. and his band members brought the crowd to their feet with his music. And there were plenty of opportunities for audience participation.

The J. D. Hall band is always handles themselves with the highest level of professionalism, and are always willing to be accommodating in any way possible to meet our needs. I can recommend them with complete confidence.

Sincerely,
